By providing an authorized signature you transform this document to an agreement between you and MERIDIA to provide the products detailed above. Returning a signed copy of this document with your payment will enable MERIDIA to immediately begin processing your request. No delivery will be made until a full payment is received. Meridia will accept returns within two (2) weeks of receipt of the system minus a minimum restocking fee of 25% depending on the amount of system configuration performed on purchased system(s). After the two-week period, customer assumes and accepts the purchase as final. This quote is valid for 30 days. After 30 days pricing may no longer be accurate.
